

## HKAAPA Education Program at Studio City Macau on 21 March 2019

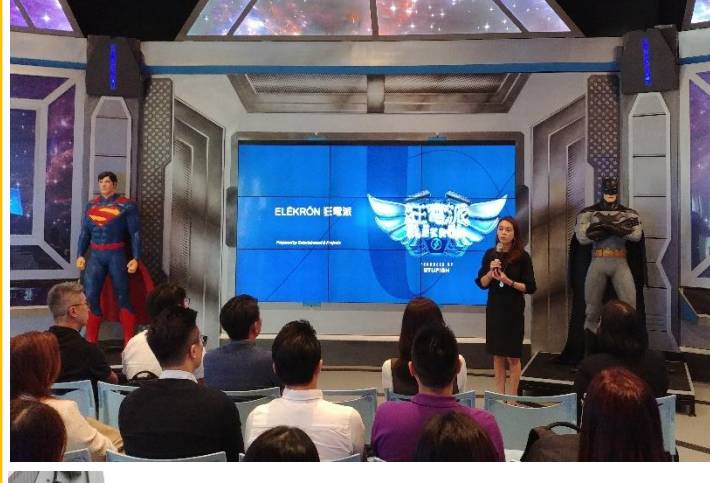

The HKAAPA Education Program was held at Studio City Macau on 21 March 2019.

HKAAPA was pleased to have

- Ms. Rachel Cheng, Manager, Attractions Operations, Studio City Macau, and
- Ms. Xana Lei, Director, Entertainment Development & Operations, Entertainment and Projects, City of Dreams, as speakers.

Participants enjoyed the guided tour of the attractions of Studio City Macau, including the World's first and Asia's highest figure-8 Ferris wheel, and the World's first flight simulation 4D motion ride based on the 'Batman' intellectual property franchise, as well as visiting the backstage and meeting the production team of the Elekron Show. In-between the tour, participants took the chance to mingle and share business experiences during the networking buffet lunch at SPOTLIGHT.

The highlight of the program was the viewing of the Elekron Show in action.
